**A27. SHARED TENANT SERVICE OFFERINGS**

**A27.1 Sharing And Resale Of Basic Local Exchange Service<sup>1</sup>**

**A27.1.1 General**

- A. In general, Basic Local Exchange Service is furnished for the exclusive use of the subscriber, and the subscriber's family, guests, employees, agents, or representatives. Resale of Basic Local Exchange Service is permitted only under the specific conditions described in this Tariff. For the purpose of this Tariff section, "sharing" of Basic Local Exchange Service is considered synonymous with "resale" of Basic Local Exchange Service.
- B. When in the judgment of the Company it is deemed necessary, or when the projected number of clients is five or more, the customer must apply in writing to resell exchange services provided by the Company and may be required to submit layout maps defining the intended geographic resale area and anticipated development plan in terms of new or existing buildings.

All rates and charges in connection with the resale operation and all repairs and rearrangements behind and including the reseller's communication system will be the responsibility of the reseller (customer of record)/owner. The reseller will be the single point of contact for all shared tenant services provided in the resale service area. Customers who choose to obtain service directly from the Company may subscribe to any local exchange service available.

Nothing in this Tariff section impairs the Company's franchise or ability to operate in the state. This Tariff is not intended, nor does it, enfranchise or certify the recipients of this service as a telecommunications company.

- C. Resale is permitted where facilities permit and within the confines of specifically identified continuous property areas under the control of a single owner or within a common development with a single name identity, such as multi-tenant office buildings, apartment complexes, condominium complexes, commercial malls, campus complexes, and office and industrial parks. Areas designated for resale may be intersected or transversed by public thoroughfares provided that the adjacent property segments created by intersecting or transversing thoroughfares would be contiguous in the absence of the thoroughfare. If the designated resale service area is located within the confines of more than one exchange boundary, the serving central office will be determined by the Company. A resale area may be served by only one central office.
- D. The premises definition as applies to resale of Basic Local Exchange Service is a resale area as defined by layout maps, if appropriate. See premises as defined in Section A1. of this Tariff.
- E. Private line services may be provided to tenants of resellers under the rules and regulations specified in Section A2. of this Tariff and Section C2. of the Private Line Services Tariff. Resellers may obtain private lines for security purposes such as fire, burglary, etc.
- F. Private interconnection of resale service areas within an exchange local calling area and LATA is prohibited. Tie Lines are restricted to the private use of a single resale client and cannot be used to access Local Exchange Service via Sharing and Resale trunks or lines.
- G. All other rules and regulations specified in other sections of this GSST will apply.

**A27.1.2 Regulations And Application Of Rates**

- A. Resale of Basic Local Exchange Service is available on a business flat rate basis. Other business services will be provided at the rates specified in other sections of this tariff.
- B. The client of the reseller is defined as a different business, firm, corporation, company, subsidiary, association, associate or a residence. Listings for Shared Tenant Service Clients may be obtained under the conditions and rates specified in Section A6., Directory Listings Tariff. Charges for Listings will not be separately billed.

**Note:** Tariff changes resulting from KPSC Order No. 293, Dated November 11, 1986 had an effective date of December 11, 1986. On May 8, 1987, the Commission affirmed by an order that the effective date for these tariff changes is November 11, 1986.
